Preferred Citation

[Identification of item], [Box Number], [Folder number/title]. ORE RG 1.16. Jesuit Archives and Research Center, St. Louis, Missouri. [Date Accessed].

Scope and Contents

Biographical/Historical Note

Please note that items in this collection do use “Eskimo,” an outdated and offensive term for the Inuit people of the Arctic region. In finding aids for previously processed collections, JARC maintains the word choices used by materials’ creators to contextualize those materials but recognizes that decision can still cause hurt to the communities affected by that language. In all modern documentation (newly processed collections, exhibits, communications, et cetera), JARC makes every effort to use the language preferred by the communities being described. If your community, tribe, or nation is being improperly named, we deeply apologize and ask you to please reach out to JARC. We thank you for your time and assistance.

Processing Information

This collection was arranged and processed in the Jesuits of the Oregon Province Archives at Gonzaga University. Box and folder numbers were added at the Jesuit Archives & Research Center in February 2020 by Maddie McDermott.

Conditions Regarding Use

The archival records in the Jesuit Archives & Research Center are the property of the Central and Southern, Midwest, Northeast, and West Provinces of the Society of Jesus, the Jesuit Conference of the United States and Canada, and all respective predecessors. Copies may not be duplicated or deposited elsewhere without the prior written consent of the archivist.

The Jesuit Archives and Research Center does not own copyright to all records in its collections. Supplying a copy is not an authorization to publish or circulate. Written permission to publish any records in their entirety or a substantial portion thereof must be requested and approved prior to publication. The researcher has the sole legal responsibility for identifying legal copyright holders and obtaining this written permission.
