Scope and Contents

The collection is comprised of church and college publications, church and school records, correspondence, and financial records. The bulk of the collection dates from the 1870s to the 1960s.

Historical Note

In 1873 the Jesuits were assigned the Sacred Heart parish in Augusta, and in 1900 constructed the Romanesque brickwork church. Sacred Heart College was administered by the Jesuits from 1900 until financial hardship closed the college in 1918. In 1963, the Jesuits returned the parish to the Diocese of Savannah and in 1971 the Diocese closed the parish. The historic church was saved from destruction in 1986 when a private individual purchased the property and opened the structure as the Sacred Heart Cultural Center.¹ The early history of the college and parish are well documented in the collection.
